Single
27 years old

- WORK EXPERIENCE -

Jan 2011 - Present

SHOPMIUM

Creation of the couponing platform:
✔ **iOS** & **Android** applications
  I worked on almost everything you can find in the current apps: UI, maps, scanner, camera, notifications, social interactions, forms, payments, installs & events tracking…
✔ Server
  web services | back-end | corporate website

I am now Mobile Apps Lead Developer. As project owner, I work hard everyday to add new features with the best user experience we can in the allotted time.
